Community PLANTING DAY

The Shire of Denmark and students from the Denmark College of Agriculture have collected local provenance seed to grow around 20,000 seedlings to re establish a riparian buffer along this historically cleared section of the inlet.

COME HELP US RESTORE OUR FORESHORE ON THE WILSON INLET!!

Mark Parre will lead a workshop on riparian flora before planting to re-establish the native foreshore vegetation at the old Little River Caravan Park.

9:30 AM SUNDAY 12TH JUNE

PLEASE BRING YOUR & A CUP & SPOON
