Dear Sam,

RE: COMMEMORATIVE STREET SIGNAGE

I would like to apply for a street sign in recognition of my parent's, John and Dorothy Golding, contribution to the Denmark Community.

My father, John, grew up in Denmark and returned with his wife Dorothy, some sixty years ago and was the first electrician in Denmark. My parents also had the first electrical store in Denmark, located where Dr James surgery is now.

They were both keen sportspersons. My mother, "Dot", played tennis and was the club champion of the Denmark Golf Club and in her later years an active lawn bowler. Mum was also a member of the Denmark Repertory Club.

My father, played cricket in the Denmark cricket side and was also a keen golfer. He was President of the Denmark Golf Club for three (3) years. Dad was also a member of the Denmark Lions Club.

They reluctantly left Denmark, however, they would have preferred to have seen out there final years in town, but there was not sufficient Aged Care Facilities in Denmark and they passed away in 2008.

I would appreciate if you would consider this request and look forward to hearing from you in the future.

Yours sincerely

Carol Ravenhill
