Re: The up-coming Leadership Forum to be held in September 2010.

The Forum is run largely by volunteers to provide a motivating and learning experience for other volunteers in local communities. Professional people have also seen value in the program and have come on board to enhance their own development within their field.

The leadership forum has become an annual event over the last five years. This year the forum is to be held in Waroona. Each year the Forum has been held in different locations around the Southern Regions.

- 2005 Bunbury
- 2006 Katanning
- 2007 Fairbridge
- 2008 Pemberton
- 2009 Denmark

Each new location adds its own regional charm and experience to the flavour of the Forum.

For this year's Forum we are asking all the Shires of the Southern Regions to Sponsor the Forum for an amount of \$500 per year over three years. In return for this sponsorship, the Shire would be entitled to send two people from their community to the forum with no further cost.

These places could go to people in the Shire whom you would consider to best benefit from this extension to their leadership experience in the community.

In the past we have received much appreciated sponsorship from Shires of the Town in which the Conference is held. This assistance has been monetary and in kind. This sponsorship we are requesting widens the support net for the conference and the opportunity net for attendees across the regions.

Yours faithfully
