Mr Greg Harwood
Shire of Denmark
South Coast Highway
Denmark WA 6333

Dear Greg

I would like to apply to the Denmark Shire council for the approval to allow the caravan park to store within its confines up to 6 motorboats, to add to the 9 kayaks and 12 pushbikes for the general public to use from time to time.

The motorboats are towable, complete with licensed trailer. They will be removed from the water daily, and we intend to store them within the confines of the caravan park.

The craft will be let out to the general public on a dry hire basis with the size of the motors varying to suit the application required. As the craft are complete with trailers we will be permitting customers to transport the boats to other locations.

These boats have approval from Department of Infrastructure as dry hire towable units, and are currently licensed to be used within Western Australia.

Should you require any further information please do not hesitate to contact me on (08)98481262.

Yours sincerely

Noel Phillips
