**Determining Value of Work**

The value of unauthorised work is the current value of the work determined by the Shire of Denmark.  
When estimating the value of building work, the Building Regulations 2011 requires that the value is the sum of the value of the following relevant components (inc GST).

- All goods ( including manufactured goods forming part of the work)
  - Labour
  - Services necessary
  - Fees payable
  - Overheads to be met and Profit margin
