

Candidate Details

Ballot paper name	DINGEY, Pete
Candidate name	Peter Raymond DINGEY
District	Shire of Denmark
Nominating for	Councillor for Shire of Denmark
Election type	Ordinary
Enrolment status	DINGEY, Pete is eligible to stand for election as a resident of the Shire of Denmark.

During my 20 year connection with Denmark, the last six as a full-time resident ratepayer, I've experienced a diverse and vibrant community that gives so much.

Now I'd like to give something back. Communication is a strength, both as speaker and listener. I can absorb detail, maintain a big-picture view, and change my mind.

Denmark is growing and I want to contribute to encouraging local initiatives in sustainability, employment and resilience. I believe these will meet the future needs of both our young people and our elders, as well as protecting our unique natural environment and culturally important sites from mis-use and overdevelopment.

My current local employment, a small business background across three states, ongoing involvement in environmental groups, and volunteer work at Denmark FM give me a broad outlook on a wide range of regional issues. These connections to our positive and creative community give me a strong foundation for constructive participation in local government.
