Dear Sir / Madam,

PROPOSED AMALGAMATION OF CLOSED ROAD INTO FREEHOLD LOTS 3450 AND 51, SOUTH COAST HIGHWAY, SHIRE OF DENMARK

I refer to the WA Planning Commission Application 141174, for the boundary adjustment of Lots 51, 3450 and 4189 on the South Coast Highway, Kentdale.

During investigation of that application, it has come to our attention that portions of closed road unallocated Crown land (UCL) exist along the northern boundary of Lots 3450 and 51. Please see map enclosed.

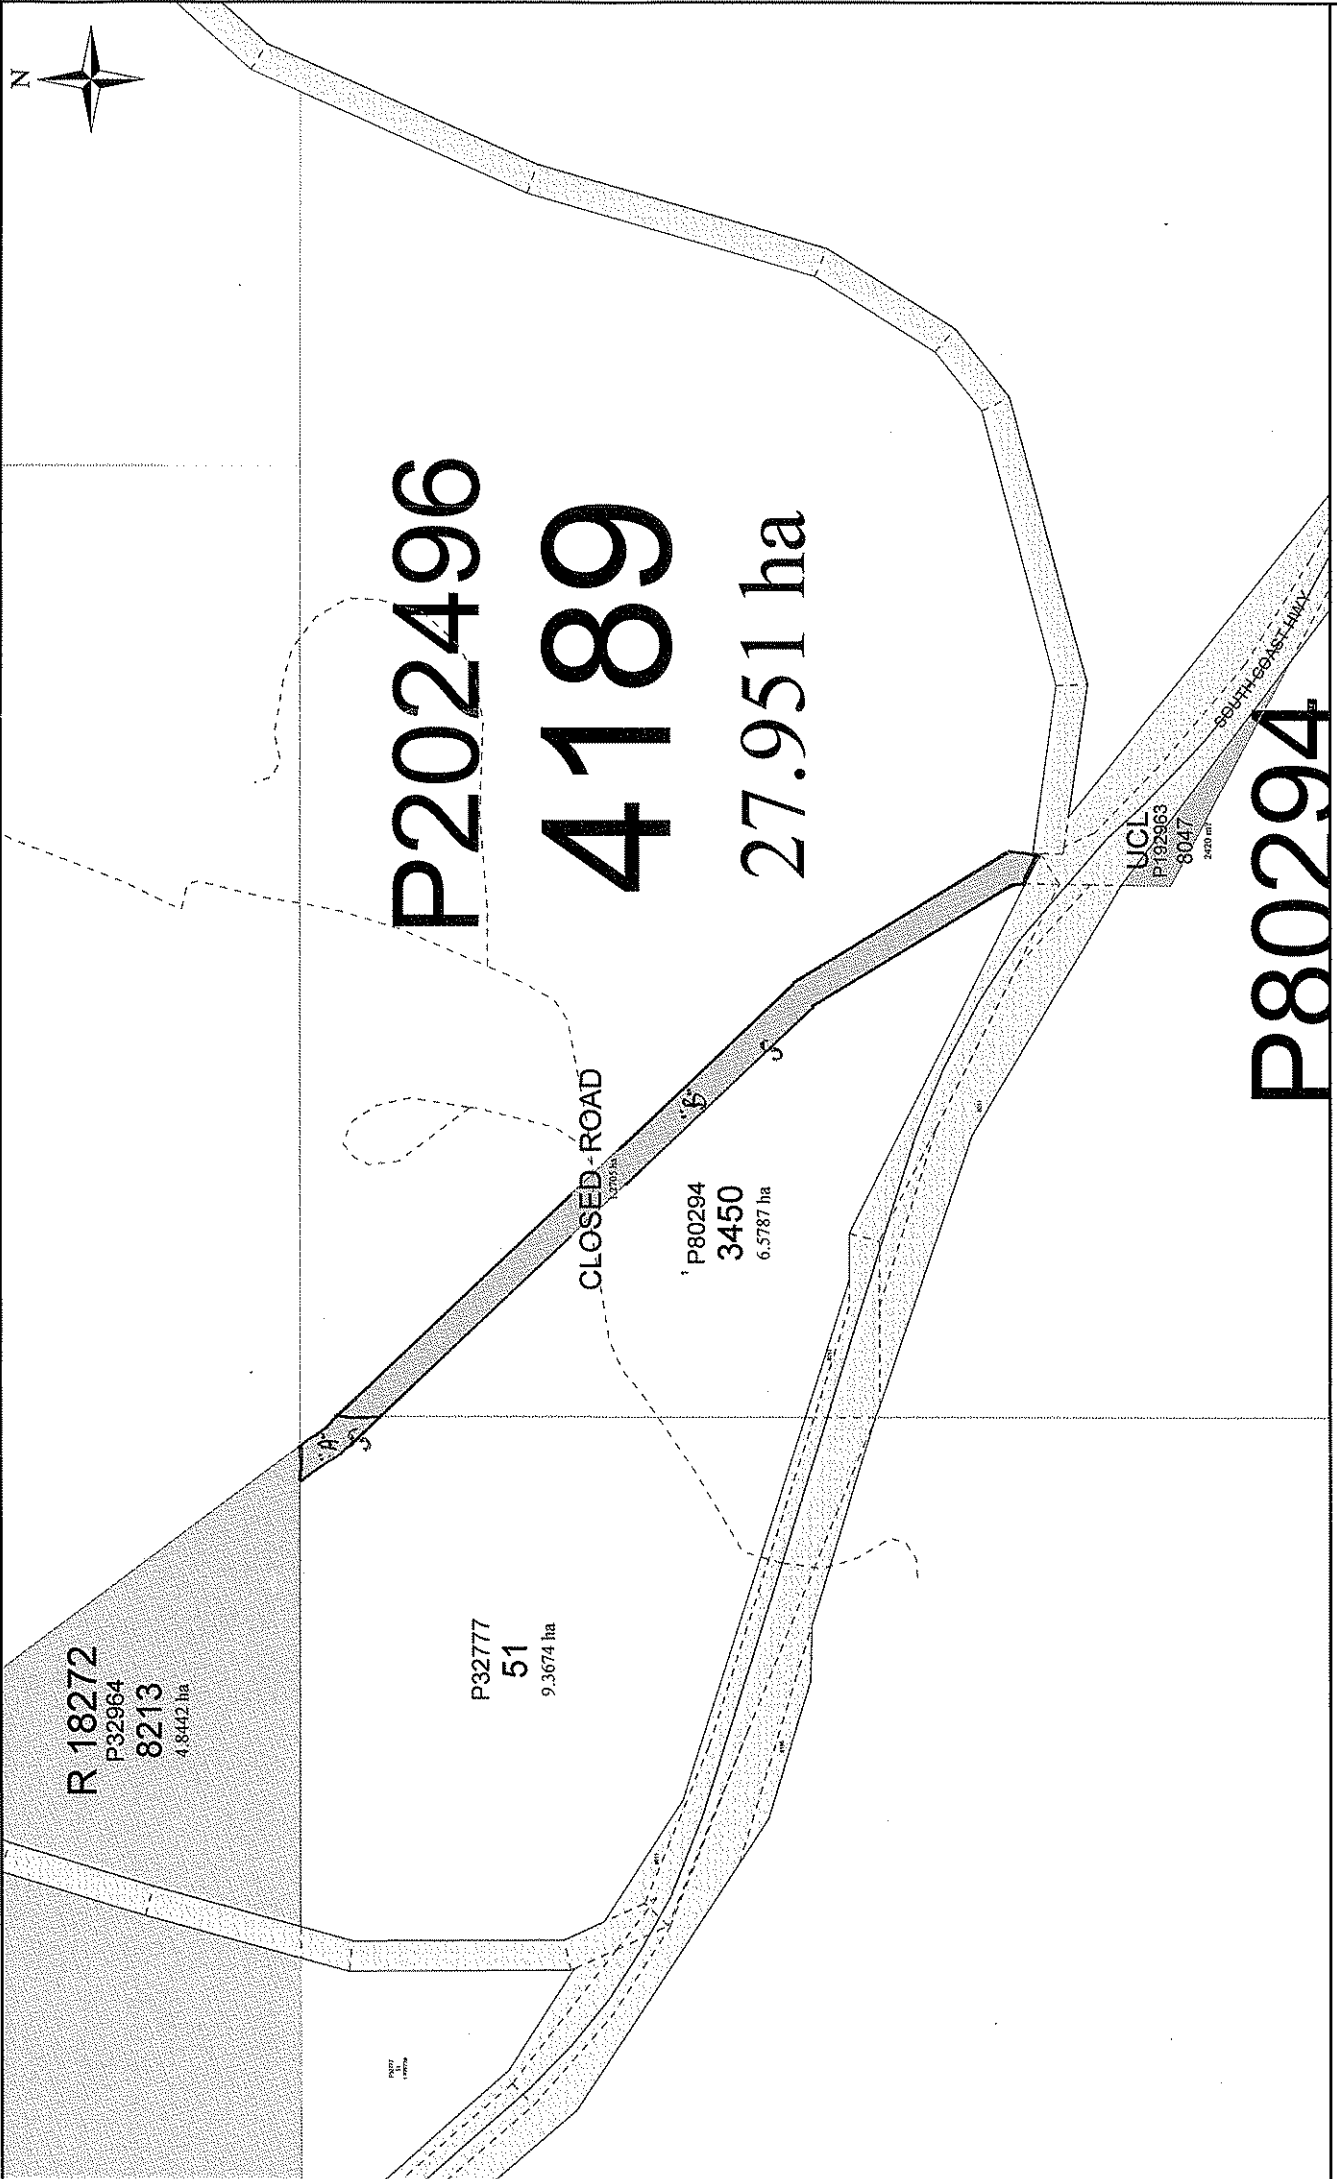

It is proposed that the area of closed road marked "B" on the enclosed map could be amalgamated with freehold Lot 3450, while the area marked "A" could be amalgamated with freehold Lot 51.

To facilitate this proposal, your comments and any objections you may have would be greatly appreciated.

If you should have any queries then please do not hesitate to contact me.

Yours sincerely,

Nicola Vaughan
