COMMUNITY GRANTS

Guidelines

What are Community Grants?

Shire of Denmark Community Grants are designed to fund locally based community organisations and groups, operating on a not-for-profit basis, an opportunity to apply for financial assistance funding.

Interpretation:

'Community Organisation' means any organisation which has members of the Denmark community and which operates on a "not for profit" basis.

'Not for Profit' means that the proceeds of the organisation are used for the benefit of the organisation and are not available for disbursement to the members of the organisation.

'GST' means the Federal Government's Goods and Services Tax. Provision of grant funds will be exclusive of GST unless the recipient organisation is registered for GST, in which case the grant amount will be grossed up by 10%.

'CEO' means the Chief Executive Officer of the Shire of Denmark.

Administration of the Community Grant Program?

Grant approvals shall be administered in accordance with the following:

- Where community grant is approved by Council for projects that are dependent upon funding from an outside source, e.g. Sport and Recreation WA; Lotteries Commission etc, and that funding application is unsuccessful or the level of financial assistance from an outside source has been reduced below that requested by an organisation, the organisation shall be required to demonstrate its ability to meet the funding shortfall.
- In such circumstances the Council will reassess the viability of the project and may, if project viability is not substantiated, revoke the grant approval. Those funds shall then be made available to other applicant organisations.
- Council community grants (as approved) shall be paid to the applicant, on receipt of an invoice and up to the value of copy invoices, statements or receipts.
- Where approved financial assistance is not claimed by 31st May and the organisation involved has failed to provide the Chief Executive Officer shall advise the organisation that the approval is revoked and that they should then re-apply.
- Where requests for community grants are received outside the deadline for receipt of applications they shall not be accepted and the applicants will be advised accordingly.
