## LIQUOR & FOOD EDUCATION CENTRE - SPECIAL FACILITY TOURISM (USE NOT LISTED) & SHOP (LIQUOR STORE)

### SUMMARY OF PROPOSAL

Liquor Library will be an education centre for the regional wines, spirits, ciders, beer, and food producers.

Denmark Liquor Library aims to work directly with industry specialists to conduct various courses with qualification educators in wine, ciders, beer, and spirits.

There will be up to six events per week held within the education area. i.e. masterclasses up to 20 people between 1-4 hours in duration offering training and educational learning experiences.

A particular feature will be a purpose-built education & cellar door facility where local food and beverage producers will be asked to showcase their products directly to customers. This area will be 30 sqm, a controlled and safe environment conducting courses and masterclasses, including Sommelier Courses and Certificate in beverage and food services.

The in-store kitchen facilities allow commercial operators to bring pre-prepared food using the facilities as secondary food preparation to showcase and educate customers through degustation experiences.

Tasting is part of the Liquor Control Act 1988, and the tasting area will be for a maximum of 20 people seated.

Package liquor will be offered for sale

Artisan products will be issued for sale
