

Candidate Details

Ballot paper name	CAMPBELL, Clare
Candidate name	Clare Olivia CAMPBELL
District	Shire of Denmark
Nominating for	Councillor for Shire of Denmark
Election type	Ordinary
Enrolment status	CAMPBELL, Clare is eligible to stand for election as a resident of the Shire of Denmark.

I am proud to have represented our community over the past four years with integrity, kindness, and a calm, considered and balanced approach to decision-making. I have worked hard to deliver for Denmark in key areas including protecting our environment, enhancing facilities and services for youth, supporting the arts, and improved roads and asset management.

Looking ahead, I am committed to strengthened environmental protection and careful tourism management to benefit our community whilst preserving what makes Denmark unique.

I will advocate for science-based bushfire mitigation and disaster resilience, improved arts facilities, better waste management, and progress towards net zero. I will also support affordable, diverse housing and continue to stand with farmers and local business in building a resilient, sustainable future.

I believe in respectful communication, logical decision-making, and a vision that protects what we love about Denmark while preparing us for the future.
