ORMSBY, Jackie

I am a Farmer and Psychologist living and working in Denmark. I live with my partner Dace Verbakel, my elderly mother Aileen also lives with us. As a family we are involved in Sea Rescue and the local Fire Brigade. My long history of community involvement includes being Past President of Cystic Fibrosis WA and Past President in Rotary. I held senior roles in State and Federal Government as well as the private sector. I am a strong advocate of access and equity issues. I love the Denmark environment, the forests and the ocean and will work hard toward good environmental decision making. I will bring to the role of Councillor an in-depth understanding of Local Government and will commit to the continued wellbeing of our community by being an active and engaged member of council.
