

Candidate Details

District	Shire of Denmark
Candidate Name	Mark Allen
Ballot Paper Name	ALLEN, Mark
Nominating for	Councillor for Scotsdale/Shadforth Ward
Election Type	Ordinary

ALLEN, Mark

I have chosen to renominate for council after careful consideration on how the Shire is moving ahead to a sustainable and confident entity. The council has effectively worked towards a well organised and strategically planned future. The IPR framework has allowed the Community Strategic Plan to drive projects forward. For me personally, I have enjoyed the challenges presented through my various committees and working groups. The BFAC has been a fantastic challenge, we have built together a professional organisation from a volunteer base. We look forward to several new councillors after the election, I believe it is my responsibility to be here to help continue the great work already achieved. Denmark's future looks bright. COVID slowed us down, we now need to reset our strategic plan.
