DEVENPORT, Nathan

I'm 43 years old, a husband, father of 3 children, and have been a small local business owner in Denmark for the past 12 years. 2018 nominee for Australian community citizen of the year and founder of the Denmark MTB club, I have an immense love for the outdoors whether that be the mountains, surf or Denmark's stunning forests. I have lived in Denmark since 2009 and been visiting since 2004. Over this time, my love for this town has grown & as my kids grow up, I find myself becoming even more passionate about a sustainable future for Denmark. I'm nominating for council as a way of doing something to contribute to our community, as a representative for families, young and old, business and the environment in Denmark.
