Nominating for	Councillor for Scotsdale/Shadforth Ward
Election Type	Ordinary

LEWIS, Jan

As a sitting Councillor, I'm proud to have been instrumental in the delivery of the Shire's recently adopted Sustainability Strategy. If re-elected I will continue to bring energy, passion & experience to the role as we work towards better solutions for our waste, initiatives to reduce emissions, ensuring our new Local Planning Strategy supports affordable & diverse housing solutions, improving the condition of our road network, creating opportunities for our youth, encouraging and promoting ecotourism, fostering the transition to regenerative agriculture & keeping the village feel of our town through its inevitable growth. I will always listen to the diverse views of our community & my decisions are carefully considered, independent & transparent.
