I'm grateful to have lived in Denmark for 15 years. Nigel & I raised our sons here. I'm civically engaged & active.

Our community highly values the natural beauty & vital ecosystems of our forests & coastline. My priority is to safeguard these for future generations as we confront the serious impacts of Denmark's rapidly drying climate.

My core values are

Taking care of our earth, Involving whole community in key decisions, Opposing rising inequality, Peace & Nonviolence

I believe we must lead in rapid reforms that better serve nature & humanity. If elected I pledge to work in collaboration with both Councillors and community for:

Strong action on climate, A more localised economy, A more self-reliant, fair & cohesive community. Genuine custodianship of Denmark's wild, beautiful & life supporting nature

Attributes: warmth, courage, tenacity

Skills & experience: team leader, facilitator, data analyst, corporate career, advocate, activist, community organiser, firefighter, permaculturist.
