Minister's introduction

KidSport Denmark is a partnership between the Department of Sport and Recreation and the Shire of Denmark.

This program is important because we believe that all kids should have the opportunity to take part in sport and recreation. Yes, because it is fun, but just as importantly, participation in sport and recreation gives your child a better chance of doing well at school and being physically and mentally healthier.

This program will pay up to \$200 towards the club fees for children whose families could not normally afford it.

Hon Terry Waldron MLA
Minister for Sport and Recreation

What is KidSport?

KidSport will make it possible for Western Australian children to participate in community sport and recreation, no matter their financial circumstances. KidSport will allow eligible youth aged 5-18 years to apply for financial assistance towards club fees. The fees will go directly from the Shire of Denmark to the registered KidSport clubs participating in the project.

How do I get involved?

Step 1 – Complete the 'voucher' and submit it to the Shire of Denmark to be validated.

Step 2 – The Shire of Denmark will return the voucher to you.

Step 3 – Submit the voucher to the club when registering.

Step 4 – The club will invoice the Shire of Denmark for the cost of fees up to \$200 per child.

Am I eligible?

- Applicant must be aged 5-18 years.
- Applicant must have a Health Care Card or Pension Concession Card.
- Applicant's primary place of residence must be in the local government area they are applying to (exceptions may apply).
- It is preferred that applicants register with a club that is in their local government area.

What else?

- Funding will cover the cost of fees to join the nominated sport or recreation club (this may include other related costs as identified by the club).
- Maximum of up to \$200 per child.
- Applicants can only receive funding once per calendar year.
- Fees are only for the nominated registered season.
- No retrospective fees will be paid.
- No limitation to applications per family as long as criteria is met.
- An applicant can be 'validated' by a recognised referral agent (e.g. school teachers, doctors, police, social workers, local area coordinators).
