Welcome to the Denmark Public Library.

In May 2014 the Denmark Public Library was recognised as "Australia's Favourite Rural Library" in ALIA's (Australian Library and Information Association) search for Australia's Favourite Library.

We aim to provide a place that is welcoming, engaging and accessible to all community members who wish to read, learn and access information. We hope to encourage a love of reading in all people from an early age, and promote the search for information. Our goals focus on people and our role in helping the community to read, learn and grow.

The State Library of WA provides access to millions of items within Western Australia. Please check our catalogue to see if items are available in Denmark. If not you can check the State Library catalogue at www.slwa.wa.gov.au.

We have access to many items through our Inter loan system. Please ask one of our friendly library staff .
