### Better Beginnings

<https://www.better-beginnings.com.au/>

Better Beginnings is a early literacy program that connects families with books. The goal is to inspire a love of literacy and learning for all children by encouraging families to read, talk, sing, write and play with their child every day.

Each baby born in the Denmark area will receive a Better Beginnings reading pack from the Library,

Children will also receive a special "Sing with Me" backpack at 2 years old and a beautiful Better Beginnings green kindergarten pack at 4 years old.

Better Beginnings reading packs are supplied by State Library of WA and supported by the Shire of Denmark..
