eSmart
Smart. Safe. Responsible.

eSmart Libraries

The Denmark Library is now a certified eSmart Library. eSmart Libraries is a cyber safety framework designed to fully equip libraries, staff and library users with the skills they need for smart, safe and responsible use of digital technology. We hope to further educate our members in order to improve cyber safety, reduce cyber bullying and keep those using our computers safe on line.

The accreditation was achieved following staff training, making appropriate changes to improve cyber safety within the library and improving public awareness.

Many thanks to our supporters, the Alannah & Madeline Foundation, who in collaboration with the Telstra Foundation formed a partnership 2012 to implement eSmart Libraries and to Paul Nielsen and staff at the Albany Public Library.

New inter library loan policy

From 1 September there will be some changes to the inter library loans service and the following items will not be available for inter library lending:

- New items in public libraries (12 months or under)
- Junior and young adult titles
- DVD and audio

Exceptions will be made for library members with special needs; including people with disabilities requiring particular formats, people who are housebound and those requiring material in languages other than English.

Please chat with staff about this new policy or check out the [Frequently Asked Questions](#) for further information.

Great Southern Libraries working together.

Great Southern Libraries Consortium will soon be up and running and Denmark Library members will be able to reserve items from all the Great Southern Libraries including Albany, Mount Barker, Katanning and Kojonup libraries.

Children's Book Week August 2018 'Find your Treasure'

Denmark could not have had a more appropriate author visit, for **Children's Book Week** this year, the theme 'Find your Treasure'. We were blessed to host Davina Bell, author of a variety of children's books, she also works as an editor, helping other writers achieve their dream of becoming professional authors.

Davina met with a range of children and young adults in Denmark schools. A versatile, humorous and engaging speaker, she connected immediately with her audience.

Davina's message of creating being awoken by a 'spark' and existing in the place where 'real life' experience, imagination and keen observation meet and followed up by a lot of hard work!

Davina is a genuine 'treasure' and we loved having her. Thank you Davina.

Thanks to our sponsors!
Children's Book Week 2018
