Book vs Movie? Book Club

Read the Book, then watch the movie Harry Potter and the Philosopher's Stone by JK Rowling Wednesday 14th September 3pm - 6 pm

Welcome to our quarterly newsletter where we let you know what has been happening at the library and what is coming up.

Our winter school holiday program started off with an inspiring talk by adventurer, Milly Formby. Early this year, Milly set off on her microlight plane around Australia to follow shorebirds on migration to Siberia. This is such a fantastic story and it is worth checking out Milly's adventures on <https://wingthreads.com/>

Coming up on the 8th - 15th October is Mental Health Week. This year the theme is "Where we live. How we live. What we've lived." Looking after our bodies, our mind and our environment is essential for our well being. Staying connected in our community, meeting people with similar interest and staying active is something we can do to look after ourselves.

In addition to our regular activities we would be keen to hear ideas from members of our community about what sort of activities you are interested in. We are happy to have a chat, so please let us know.

This year Seniors Week will be held from the 6th - 13th November, there will be plenty of activities to celebrate the valuable contribution of older people our community.

CBCA Book Week

Children's Book Week was celebrated from 20th - 26 August 2022. Book Week is such a fun way to share the joy of reading with our children, while providing a reminder for children and adults alike, of the positive and influential impact that books and stories have on our lives.

Library staff really got into the spirit of Book Week by dressing up, fun class visits and hosting an amazing Mad Hatters Tea Party as everyone entered the Rabbit Hole on Tuesday. What fun we had!

Cristy with Abbie, Anya, Eliza and Lyra from Kwoorabup Nature School

Each year we are fortunate to invite an author to Denmark to visit some of our school classes. This year the fabulously fun, Cristy Burne, author of the Wednesday Weeks series shared her love of writing and science to inspire the students of Denmark Primary School and Kwoorabup Nature School. It was a pleasure to host an author with such enthusiasm and high level of engagement.

CBCA Book Week was sponsored by the WA Branch of the Children's Book Council in association with the Department of Local Government, Sport and Cultural Industries, Lotterywest, Healthway Go for 2&5 and supported by the Albany Public Library.

What's on at the Library for Adults?
