LEWIS, Jan

The past 3 years have been spent 'putting our house in order'; we now have a robust set of plans that will enable Council to deliver on the community's expectations and aspirations as defined in our Strategic Community Plan. The Long Term Financial Plan shows how/when we can address the neglect of our roads and infrastructure, carefully plan for renewal of buildings such as the Civic Centre and Surf Club and incorporate new projects like a Youth Precinct (skate park) and an Aquatic Centre.

I'm an independent thinker who believes in strong, meaningful community consultation. I tackle the wide range of issues that come to Council with enthusiasm, common sense and integrity.

I'm currently on the Sustainability Strategy, Dog Park, Lights Beach, Paths & Trails, Waste, Parry Beach Working Groups/Committees and the South Coast Economic Alliance - please vote for me so that I can continue to represent you.
