## ROWLAND, Belinda

My husband and I live in Denmark with our two children who attend Denmark Agricultural College. We have been farming in Scotsdale for over 10 years.

I believe in responsible, sustainable future planning and development to ensure the Shire remains a desirable place to live, work and raise families.

My priorities if elected:

- Put the brakes on rates, I cannot support increases of 4% for 20yrs for budget blowouts in these economic times.
- Protect our pristine environment, heritage and history
- Optimise local business and tourism opportunities while promoting the shire as an attractive tourist destination.

I'm independent with impartial decision- making for a unified consultative council that is forward thinking.

I have qualifications and experience, currently on RSL, Lions, and CO-OP board director. I will listen to diverse aspirations, views and opinions. My desire is to represent you on a focus-driven group who provide leadership for our community.
