

Candidate Details

District	Shire of Denmark
Candidate Name	Geoffrey Maxwell BOWLEY
Ballot Paper Name	BOWLEY, Geoff
Nominating for	Councillor for Town Ward
Election Type	Ordinary

BOWLEY, Geoff

As a retiree dependent on a fixed superannuation income I am very disappointed that Council has again imposed large rate increases and ignored pleas for moderation from State politicians and local government leaders. Council voted for big rate hikes without even having approved critical evidence – the long overdue asset management and financial plans!

I believe in open and consultative local government and I will work on Council to use my experience, skills and knowledge to ensure that decisions, especially about rates, are based on timely and meaningful public debate. My background as a senior Federal Government manager and past roles on local regional development, employment and school boards supports my capacity to deliver much needed change.

I am passionate about supporting my community and I attend most Council meetings, participate in Denmark's ratepayer association, am an active volunteer bush firefighter and enjoy dragon boating on our beautiful waterways.
