

Candidate Details

District	Shire of Denmark
Candidate Name	Kelli Narelle GILLIES
Ballot Paper Name	GILLIES, Kelli
Nominating for	Councillor for Town Ward
Election Type	Ordinary

GILLIES, Kelli

I am a long term community member. Having raised our family on our Bow Bridge farm we now live in town. I currently work with rural families and students in the education sector. This, combined with my local government, senior management and small business experience will enable me to advocate for the community of Denmark.

If elected I will;-

- consider council rates alongside inflation and local economic trends
- actively work to minimise council spending and excessive rate rises
- implement responsible financial and asset plan management
- restore workable links with government bodies to provide grant opportunities
- champion the surf club redevelopment
- adhere to the community consultation framework before demolishing historical assets
- consider our drying climate and advocate for a more science based management of our inlets
- demonstrate a common sense approach that encourages evidence based decision making
- be a confident and strong voice who is unafraid to ask hard questions.
