Election Type	Ordinary

WRIGHT, Clem

I am a workplace trainer and consultant with considerable experience in Human Resource management. I am especially interested in accountable and ethical practice in workplaces. I am an active member of the Denmark community. In addition to my work on Council in 2016/2017, I have been a Volunteer Firefighter, a Volunteer Ambulance Officer, am currently Vice-President of the Denmark Ratepayers and Residents' Association, and organised the Mothers' Day Classic in May. As a Shire Councillor, I demonstrated an ability to scrutinise Shire proposals on their individual merits including their financing and potential impact on ratepayers, and, their social and environmental impacts on the whole community. I will lobby for improved mobile phone reception, fewer power outages in Denmark including going off-grid by 2030, reducing the impact of heavy haulage trucks on the town, and, the revitalisation of the town centre after business hours.
