REQUEST FOR QUOTE

Title: Disposal of Scrap Metal

Closes: 4:00 PM Friday 20th November 2020

1 REQUIREMENT

The Shire of Denmark seeks to engage a suitably qualified Contractor to purchase and remove ALL scrap metal from the Denmark Waste Management & Reuse Facility – 46 East River Road and Peaceful Bay Waste Facility Site – Peaceful Bay Road.

2 SCOPE OF WORKS

Scrap metal within the designated areas will vary and includes, but is not limited to, household white goods, car parts, machinery parts, sheet metal, piping, structural steel sections, reinforcing, fencing materials, builders scrap, etc. The Shire of Denmark takes no responsibility for any contamination in the scrap metal pile.

All scrap is to be weighed with weighing costs to be worn by the purchaser. Dockets providing weight information are to be included with a recipient created tax invoice detailing relevant payment to the Shire.

All scrap is to be removed from both sites at the purchaser's expense and risk, with all required equipment and machinery to be supplied by the purchaser.

Work can only be conducted on site between the hours of 7.00am and 5.30pm, Monday to Saturday. Please be aware that the site will be operational during standard operating hours, the purchaser will need to take appropriate precautions to ensure public safety and limit any business interruption during operating hours.

Scrap metal sites to be left clean of debris and in a trafficable condition, with all debris and scrap metal removed. Site inspection by site supervisor or Manager Waste and Reserves before machine load out.

All scrap metal is to be removed from both properties by close of business 23rd December 2020
