Better Beginnings encourages all families to Read, Talk, Sing, Draw and Play with their child every day, but sometimes it can be hard to think of things to do. Each month the Better Beginnings team put together a **Home Literacy Calendar** which is packed full of fun, easy things you can do together at home that will help develop your child's early literacy skills and turn your child into a reader. Check it out at <https://www.better-beginnings.com.au/read-watch-and-play/home-literacy-calendar>

Better Beginnings is an early literacy program that connects families with books. The goal is to inspire a love of literacy and learning for all children by encouraging families to **read, talk, sing, draw and play** with their child every day.
