

# Mark Tupman returns to Denmark **FREE** workshop!

## **Top 5** budget-friendly soil health improvements

with Mark Tupman from Productive Ecology

### **This one day workshop will include:**

- Leveraging the benefits of plant diversity with cover crops and multi species pastures
- Designing foliar sprays to boost plant photosynthesis
- Managing the grazing of livestock to improve plant growth and soil health
- Making and using microbial cultures - compost, vermiculture, inoculants and bio-ferments
- How to use bio-stimulants to improve nutrient use efficiency

**Join us on Monday, June 10th, 10am at The Denmark Country Club for a workshop followed by lunch and a farm visit. The day will conclude Q & A back at The Denmark Country Club and sundowner from 5pm.**
