Policy

Any completed household in the following areas is required to be serviced by a compulsory Waste Collection Service;

- a) Townsite of Peaceful Bay;
- b) Townsite of Denmark;
- c) Townsite of Nornalup; and
- d) Any land zoned Special Residential or higher density (average lot size of 1 ha or less).

Council is prepared to support requests to amend its Health Local Laws introducing a compulsory waste collection service for residents in Special Rural / Rural Residential zoned land upon demonstration that over 50% of the landowners support a compulsory service.

The Director Infrastructure and Assets is authorised to approve requests for commercial and/or domestic refuse or recycling services not on a gazetted area if the service is practically and effectively serviceable by being on or adjacent an existing route or run. Such properties are allowed to 'opt in' to a service however at such time as 50% of the properties adjoining that route 'opt in', it is converted to a compulsory service (NB: Local Law Amendment required).
